

2 Sterne Street, Warwick

INNER CITY CONVENIENCE

Located in a quiet cul-de-sac and only a five minute walk to the centre of town and shopping centre, this very tidy home is perfect if you want to walk rather than drive. With predominately timber homes within the inner city radius, finding a brick and tile home in good condition is becoming difficult. The property has three good sized bedrooms, a large open plan living/dining area adjacent to the kitchen. There is a large sunroom with a north eastern aspect and overlooking the fenced back yard. As well as the family bathroom there is an additional shower and toilet in the laundry. The home has been freshly painted and new floor coverings throughout the living areas have just been installed.
